

Aniket Shirude

Full Stack Developer

aniketshirude552@gmail.com — +91 9172510222 — [LinkedIn](#)

Professional Summary

Aspiring Full Stack Developer and AI Enthusiast with practical experience in React.js, Django, Node.js, Python, and MySQL. Experienced in building web applications, working with AI-powered development tools, and solving real-world problems through technology. Passionate about Artificial Intelligence, Machine Learning, data analysis, and creating scalable software solutions with clean and efficient code.

Technical Skills

- **Languages:** JavaScript, Python, Java
- **Frontend:** React.js, HTML, CSS, Bootstrap
- **Backend:** Node.js, Express.js, Django
- **Databases:** MongoDB, MySQL
- **AI/ML:** NLP, Tesseract OCR, Machine Learning Basics
- **Tools:** Git, GitHub, VS Code

Experience

Full Stack Developer Intern

Jan 2026 – Mar 2026

Edunet Foundation

- Developed responsive web applications using React.js and Node.js.
- Designed and integrated REST APIs.
- Worked on backend logic and database connectivity.
- Collaborated using Git and GitHub for version control.
- Optimized application performance and resolved bugs.

Projects

Smart EMI and Expense Calculator System

2025–2026

- **Tech Stack:** HTML, CSS, JavaScript, Django, MySQL
- Developed a full-stack web application for EMI calculation and personal expense management.
- Implemented EMI calculation based on loan amount, interest rate, and repayment tenure.
- Built expense tracking and categorization modules to monitor daily and monthly spending.
- Developed monthly expense summary and financial reporting features.
- Designed an interactive dashboard for budget planning and financial analysis.
- Integrated secure database storage for financial records.
- Improved financial decision-making through automated reports and spending insights.

Education

Bachelor of Engineering in Information Technology

Amrutvahini College of Engineering

2023 – 2027

Certifications

- Ultimate Web Development Course 2026 - Build Modern Websites

Achievements

- Participated in Hackathons and Coding Competitions.
- Developed real-world full-stack web applications.
